The Bidder’s qualification requirements

The Bidder should be a legal entity without state ownership shares and should provide the following information in order to be eligible for technical and further financial evaluation:

- Technical description of the Goods proposed;
- Proven evidence on the Bidder’s experience in the supply of the required Goods (copies of the contracts or other evidentiary documents should be submitted) for at least 1 project of an equivalent nature and complexity in the last 5 years. Equivalent nature and complexity is to be understood as the production, supply and installation of insulated windows, de-installation of old windows, closing of holes with polyurethane construction foam ;
- Information on the minimum average annual turnover over a period of 5 years (audited balance sheets, financial statements/reports);
- Valid information on the Bidder’s technical capacities and staff (production facility, building, information on the partners, transportation means, personnel, others).

Interested eligible Bidders may obtain further information and a complete set of bidding documents from Ms. Hasmik Khachoyan, hkhachoyansppa@gmail.com.

Please, find more information about procedures of the bid package submission on the official website of the Ministry of Environment of RA -www.env.am, in the section: “Announcements” as well as in the section: SPPA-A, subsection: “Announcements”.

The Support Programme for Protected Areas in Armenia (SPPA-Armenia) is part of the Caucasus Initiative, launched by the German Federal Ministry for Economic Cooperation and Development (BMZ No: 2009.6657.2). The 6 years Programme (launched in mid of 2015) is being implemented based on intergovernmental Financial agreements between the Federal Republic of Germany and Republic of Armenia through the Separate Agreement signed between the KfW and Ministry of Nature Protection of Armenia on 28.05.2013.
